

Wiley Audio Recording Rates as of August 2022

Day Rate:

\$850/10 hours
\$350/day gear rental fee.

Please note:

- Parking Reimbursement and Bridge Toll Reimbursement, when necessary
- Mileage is charged for every project at the IRS 2022 rate: \$.625 per mile.
- I work on projects large and small. If you have a limited budget, please don't hesitate to contact me and I'd be happy to negotiate a rate that meets your budgetary needs.
- I guarantee that all audio project files are backed up for at least 1 year after project completion.
- I prefer to deliver audio files at the end of each production day, however, if that is not possible, then an upload fee of \$40 will be added to the invoice and a link to the files will be provided within 24-hours (usually less).
- Projects where extensive travel is required must be negotiated on an individual basis.
- In Person Preproduction meetings are charged at a half day rate, less gear rental fee, unless otherwise negotiated ahead of time.
- A copy of the Certificate of Insurance is required for every project.
- Cancellation Policy:
 - 24 hours or less - one full day rate including gear (\$1200).

I agree to these terms and conditions.
